

Gas on Steel Cooktop, 90cm, Flush Fit, LPG

Series 9 | Contemporary

Stainless Steel | LPG

Designed to fit flush into your kitchen benchtop, this large cooktop creates a seamless look and easy cleaning.

- With five burners including a wok burner
- A flame-failure safety device; if a flame goes out, the gas turns off

DIMENSIONS

Height	76 mm
Width	900 mm
Depth	530 mm

FEATURES & BENEFITS

- Fits flush**
The gas burners are recessed into the work surface, leaving the trivets flush and providing an integrated kitchen bench with a seamless look.
- Clever cooking results**
The consistent flame and heat distribution of the dual flame wok burner, combined with highly responsive dials, offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

Complementary design
The brushed stainless steel has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Safe and sound
Intuitive dials glow red for on and white for off, showing from a distance which burners are lit. The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Easy cleaning
The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform, with rubber feet to prevent them from scratching the cooktop.

Handy accessories
This cooktop comes with a small pan support and wok stand to complement different cooking styles.

SPECIFICATIONS
